Representing the University of Houston, our own Team Level 13 and their game Antitoxin Squad made it to the top 4 teams in the US on the Imagine Cup 2010. The team members were Reggie Tye, Paul Diaz, Yu-Chao Chen and Syung Whan You. The students use Microsoft’s ground-breaking new XNA Game Studio. Let’s congratulate our 3rd Prize winners, Team Ifrit Salsa for their hard work and creativity to reach to the top in the Nation!
